Submitted.

Sir. This is the first time a notice for sale of "Beer" shops has appeared.

Because it was unusual not only as regards the procedure adopted by the Excise Comr regarding the "notice", but the Conditions thereof & the "License" itself as far as I am aware, have not yet been approved of by Govt for the sale of "Beer".

Our reference is in the marked (No 2) the reply thereto will take time. In the meanwhile the questions are:-
(1) the sale of Beer taverns
2) the Conditions of the Notification
the License issued in that behalf
& require the authority of Govt
The draft is resubmitted for approval.

EXCISE DEPARTMENT.

Notice No. 4776—77 *dated the* 14*th May* 1895.

SALE OF A COUNTRY BEER TAVERN IN THE KOLAR GOLD FIELDS FOR 1895-96.

1. Notice is hereby given that the exclusive privilege of selling Country Beer or Porter in a tavern at the Kolar Gold Fields for the twelve months beginning with 1st July 1895 and ending with 30th June 1896, will be put up to public auction on the 8th June 1895 at the Bowringpet Travellers' Bungalow, by the Deputy Commissioner, Kolar District, or other officer authorized by him.

2. Each bidder at the auction will deposit a sum of Rs. 300 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forfeited as hereinafter provided will be returned to them. The person whose bid is accepted, shall at once deposit a sum equal to $\frac{5}{8}$ths of a month's rent for the tavern. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the tavern will at once be put up again on the above conditions, and he will be debarred from bidding again for the same.

4. The person to whom the tavern has been knocked down, and who has made deposits as provided in paras 2 and 3, shall also, within seven days from the date of the auction, deposit such further sum as, with the first and second deposits, will make up an amount equal to two months' rent of the tavern knocked down to him; and shall take out a license and execute a counterpart engagement, in the appended form, on the conditions hereinafter set forth. On the failure of the person to make the deposit or to take out the license or to execute the counterpart engagement, as aforesaid, the tavern will be resold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Resales effected under para 4 will be at the risk of the defaulting bidder who will forfeit all gain; and in the event of a loss by resale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale, and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

6. The license to be taken out under para 4 above shall be subject to the following conditions namely:—

(1) The privilege conferred by the license extends only to the sale of Country Beer or Porter brewed at Bangalore or Nilghiris.

(2) The amount for which the privilege has been purchased shall be payable into the Bowringpet Taluk Treasury in equal monthly instalments commencing from July 1895; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on the 20th of the same month on the chellan prescribed for the purpose. The deposit of two months' rent made by the licensee will be taken in payment of the rents due for the last two months of the period of the lease. Failing payment by the 20th of the same month, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at 6 per cent under the rules in force for the collection of land revenue. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(3) The licensee shall further pay a duty of two annas for every gallon of Country Beer or Porter purchased by him.

(4) The consignment of Country Beer or Porter purchased by the licensee shall be sent direct from the Brewery to the Amildar, Bowringpet Taluk. The letter of advice covering the consignment shall be in duplicate, the original being sent to the Amildar of the Bowringpet Taluk, and the duplicate to the Excise Commissioner. On the duty at the above mentioned rate being paid by the licensee on the prescribed chellan, the Amildar shall allow the licensee to remove the consignment to his tavern in the Gold Fields, upon a pass signed by the Amildar or other officer authorized by him on this behalf.

(5) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the forms of accounts and permits or passes for transport of Beer or Porter, which forms shall be purchased from local Excise Officers.

(6) The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

(7) The remaining terms and conditions shall be as set forth in the appended license.

7. In case of any breach of the above conditions either by the licensee, or with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his tavern or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to resell the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by

opening his tavern on 1st July 1895, shall be made good by him. When a lease is cancelled, the rent for the whole period of the lease shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employés from prosecution for any offence committed against the Excise laws or rules in force.

OFFICE NOTE.

SUBJECT.

Certain New Farmers of 6 arrack Shops Gold mines for 95-96 complain that they will suffer loss if the Country Beer Tavern be opened at Boriganum, of about 500 gals a month per shop.

LAST REFERENCE.

Petn ~~Letter~~ Regd No. 3251 dated 4/6/95

from Cuppam Venkatasami & others Vadugapatti

1. The Petitioners state that when the sale of their Shops was held the authorities proclaimed that the ~~the~~ tavern would be opened, but they were not aware of this, when they bid for the arrack shops.

This is stupid talk out - Govt have nothing to do in this matter

2. This proclamation was ~~none~~ necessary as the proviso relative to opening Country Beer Shops in rural tracts, or even in Towns, has not been entered in the Sale "notices" & "Rules" framed under the items of Arrack and Toddy. It was however suggested to the Ex. Comr to add the same in the License forms at the expiry of the present Contract.

(Vide T. O. No. 17427 R2484 of 11/4/95.)

The Govt since then reports that the proposal to re-open the Country beer taverns was duly intimated at the time of the auction Sale (Para 4 of this Letter No 5445 of 18/6/95)

490

3. The Country Beer Tavern was sold for the unprecedentedly large sum of Rs. 8,100-

4. One Hogshead contains 54 Gals @ Rs 1/2/- per Gallon on an average Rs 60-12-0 = 60-12-0

This would realize Rs 60-12-0

The cost price at Ootakamund per Hhd is —— Rs 30-0-0

Drainage & Cartage &c. —— 4-4-8

Duty to Govt at 2 annas per Gal: 6-12-0

Average cost of Establishment &c. per Hhd —— = 1-2-4

Wastage @ 2½ Gals per Hhd } = 2-13-0

Total —— Rs 45-0-0 = 45-0-0

Net available for Vending, excluding Sale amount, or Licence Fee } Rs 15-12-0 = 15-12-0

∴ The sum of Rs 15/12/- divided into Rs 8100, the amount for which the single Tavern was sold would give 574 Hhds as the quantity which will have to be sold ere the Govt Fee represented by Rs 8,100 can be paid.

This would be about 43 Hhds per mensem

6. No one will buy "Bangalore beer" which it is also proposed to sell in the same tavern, side by side, with "Nilgiri Beer" at

Rs

Rs 1/2/- per gallon, or annas 4½ per seer, or 3 annas per reputed quart bottle. By Comparison 4½ seers of Toddy could be had for one of beer, and for the same price 2·4 Drs of arrack. ~~and the proportion~~ No malt enters into the Bangalore beer at all, or if any, it is of such an infinitesimal quantity as just to admit the Brewer to swear there is malt in his brew, so as to fall within the provision of the Excise Act defining "fermented liquor" to be "malt liquor." The proportions of malt, hops, and Country sugar have not been laid down by Govt., for "Country beer". No one in Bangalore will make "country beer" or "country beer" with 7 5-8 % of malt, or any preparation of malt 3 lbs of Kent Hops and 25% of Country sugar per 84 Gls which are the proportions necessary to turn out good, wholesome beer as was originally fixed by the Madras Govt for adoption there, some years ago, on the recommendation it is believed, of the then Chemical Examiner to Govt.--

8. The present "Country beer" made in Bangalore is simply the Dirty "Spirit-Wash", which on distillation was found to contain up to 18% of Proof Spirit. It is a vile Stuff & if it takes at the Gold Mines there is no doubt that it will affect Govt Rev. from both Spirits and Toddy. From the petition of the arrack Shop. Licenseholders for 1895-96 it is gleaned that the loss will be 50 Gals per Shop for (6) Six Shops monthly. This would be 300 Gs × 12 = 3,600 Gals per annum the duty on which, would, alone, amount to Rs 14,400. The amount for which the taverns was sold was Rs 8,100. The nett loss from Arrack Revenue would be Rs 6,300 yearly.

9. Taking the percentage of proof Spirit in Bangalore Country beer at from 12 to 18% or say 15% on an average and that of Toddy at 5% of proof spirit Total 20% Proof, this would give on 27,756 Gals of Country beer, the estimated consumption at the Gold Fields 5,551 Gals of proof Spirit, or 6,938 Gals at 20° U.P. at Rs 4 per gallon = Rs 27,752.

This would represent the loss of duty to the Mysore Govt on arrack & Toddy (?) less 8,100 realized by sale

He should have added "Toddy Shops" also. But the fact is the Dy Comr is quite in the dark as regards this beer, altogether, when he says it is a "Com- "paratively mild and harm- "less beverage". He opines it to be made like English beer. But it is not. Bangalore Beer has gained the un- enviable notoriety of the vilest stuff made in the world; and, now, the Nilgiri Beer (I learn) is to be, not of the good old stamp made for Europeans, but a "New brand" for "Natives" ie. I suppose of the same brew as its Bangalore Congener,

12. The Tavern to be opened is a "new one". The old one died a double death as:-
(1) There was no Kilgore beer to sell as the Brewery failed.
(2) A Foreign Liquor Beer Tavern License was given to Capt. Anderson in lieu of the above.
3. The rules, License and authority to sell the Beer Tavern by public auction all needed the sanction of Govt. as it was a new departure (See last case of changes in arrack rules now before the whole Council.)
14 Govt. should be fully satisfied with the goodness, in every respect of the proposed ~~Stuff~~ Stuff to be sold so largely at the Gold Fields to the Public ere the License is opened. It must be borne in mind that though intended for the "Natives" they are human beings and

as much, if not more circumspection and care are needed in their case, than in the case of "Europeans" - The former are simple and inexperienced in such drinks. The latter has perfected his palate for generations and the beer he drinks is a perfectly wholesome nutritious beverage, and "mild" also as Mr. Madiah says but this cannot be said of that now intended to be saddled on the Coolies at the Gold Mines — a step, which, as it now stands, the Chairman of the Board has evidently just grounds to protest against -

Office Note.

Subject:- New additional Country Beer Tavern Kolar Gold Fields sold for Rs. 8100

References:- Excise Commissioner's Letter No: 34/2 Dated 2/7/1895

With the above letter a copy of the following resolution of the Mining Board is sent to Government and the Excise Commissioner reports that he has informed the Deputy Commissioner of Kolar that it is undesirable to open the proposed Country Beer Tavern in the Gold Fields, that the sale should be cancelled and the deposit of the highest bidder should be returned to him:-

"The Kolar Gold Field Mining Board beg to protest most emphatically

"emphatically against the proposed Beer—
"Tavern License in Coregaum Village or the grant-
"-ing of any more licenses for the sale of
"intoxicating liquors on the Field or in prom-
"-ity thereto and the Board unanimously
"approve of the action taken by the —
Chairman in the matter"

2. The question is one which involves the sale of "British Beer" at the Gold Mines free of duty on the payment of the fees as per margin levied under Not$^{n}_{H}$ No: 31 dated 9/5/89;

Whole Sale Licence	Rs 25·
Retail - - - - -	Rs 50.
Refreshment Room License	Rs 25·
	Rs 100

and the sale of "Country Beer", per Gallon on which a duty of Rs ⁄⁄ - 2 - ⁄ would have to be paid in Mysore, + a License fee of Rs 180 + Rs 2 on sales over 7½ Hhds monthly. In lieu of the latter fees the Tavern was put up and realized Rs 8100, on which a duty of Rs ⁄⁄ - 2 - ⁄ per gallon was also secured.

3. The question to be considered now is, (in the face of the Board's opposition) how the difficulty is to be tided over and Government secured against the loss of its legitimate rights from

from this source of Revenue.

4. It has been shown in this Office Note of 25/6/1895 that the Revenue from both Toddy and Arrack will be affected by the sale of "Country Beer" of the strength proposed to be sold.

5. On the other hand the sales of "British Beer" stand, and Government lose the duty and the enhanced fees which the Country Beer would secure.

6. The sales of "British Beer" have been put down at 150 Hhds a month by the Deputy Commissioner of Kolar. This is evidently an error as by a reference to the Excise Commissioner's Office, it has been ascertained that the Excise returns received show only 20 Hhds nearly, per mensem, for the year ending 31st December 1894. Captain Anderson has given me a return for the past two years which exhibits about 23 Hhds of British Beer imported monthly, — When the Nilgiri Beer was sold the average sales monthly were only (11) eleven Hhds. It will thus be seen that as compared with

"British Beer", there has been a rise of 200 per cent over "Nilgiri Beer" ~~sold~~ formerly — (1889-92)

7. To protect the Mysore Government interests it would be necessary to realize the duty at 2 annas per gallon of Beer, the surcharge at Rs 2 over 7½ Hhds and the difference between the Licence Fee of Rs 180 and the aggregate fees (Rs 100) now paid by Captain Anderson as per para 2 above on 23 Hhds per mensem or 274 Hhds per annum. This will bring out the following results:-

Hhds

23 × 54 = 1242 Gallons;

monthly at Rs 11-2-0 per gallon = 155-4-0

23 - 7½ = 15½ Hhds at Rs 2 surcharge. } — 31-0-0

Monthly — Total Rs 186-4-0

Yearly — Rs 2,235-0-0

Add difference between Rs 180 and 100 now paid as Licence fees } ... 80-0-0

Total. 2,315-0-0

The above should be realized as "Special Licence Fee" to be recovered hereafter from Captain Anderson at the Govt mines or taking it, say at 200 per mensem

in

in even numbers as Foreign Liquors" are exempt from direct Excise Duty. —

8. If Captain Anderson is guaranteed say for 5 years against being disturbed by fears of the reopening of any new Country Beer Tavern or Foreign liquor shops at the Gold Mines, he would, I believe, accede to the above enhancement. —

9. Saying for arguments sake that the quantity of Toddy the British Beer replaces will be equal to that of Toddy sold at 1 Anna per seer and that half anna represents Excise duty, this would bring on Rs 14,904 Gs or about 59,616 seers or Rs 1,660 as the duty on Toddy to that extent:
So that the above proposal will fully protect Government interests, even if the Madras firms took it upon themselves to substitute Nilgiri Beer, which is classed as "Foreign Beer" in Madras, for the "British Beer" they supplied Captain Anderson. Considering also the fact that the rate of Exchange is so high it would not be at all surprising if this "Dodge" will not be resorted to

to in whole or part if this has not already been the case.

In conclusion it may be stated that it is within the province of Government to fix the "License Fee" at any equitable scale it may deem fit on Foreign Liquors Lic.d Hotels & Taverns &c.

Sir,

I have just been able to secure from a private source an analysis of the European Beer now sold at the Kolar Gold Mines and that of the Bangalore stuff now sold in the Taverns of the station.

2. You see the Chemists' conclusions fully bear out what I have stated in my two notes on "Country Beer" made in Bangalore.

3. The net loss of 16,183 Rs — Revenue to Government from both Arrack and Toddy, would be justified only by placing a beer of the same stamp, in every respect, to that about to be ousted from the English Tavern. Until this can be done the latter should not be disturbed. The action taken was precipitate and the breakers ahead were ignored by the Excise Department. Had the matter been laid before —

Sir,

I respectfully beg that the Licencing Board have changed the views they expressed to the Amicdar by Banning Pote in 1899 & in 1893 & they did not write by their last communication, to ask that Captain Andersons License may be cancelled.

The only thing left now for Govt. to do is to raise the License Fee so as to make the loss involved, being in fact, at least, made up - This will be done when the Govt. guarantee by Raising these fees is disposed of. The Ld. Justices has submitted a separate reference on this subject & I am working out

It was unfortunate that the sale should have been proclaimed and held without sufficient enquiry & without the previous sanction of Govt. It was likewise a pity that when the intended sale was intimated to Govt no objection was taken to it on the ground of its having been ordered without authority. Information was called for on certain points but the Excise Commr was not asked to report whether the sale pending fresh orders. The result was that a sale was duly held on the date fixed. The Mining Board protested against it as also to certain items and the Attached

In consequence of these protests, the Excise Comr has directed the Dy Comr to cancel the sale & to refund the deposit. The matter has thus been settled. I think it was a mistake to have organised so much hostile criticism and to have ultimately yielded it. No further action seems however necessary. The Excise Comr may be informed that in future, sales of this description should not be notified & held without adequate enquiry & without the previous sanction of Govt.

Captain Anderson needs a license for the sale of foreign liquor. The rates

prescribed in Rule V of
notifn no. 31 dr 9.5.1889
are very low. If instead of
being English Beer, the Quantities
sold by him were
country beer, the Govt would
get at least 2000 Rs. a
year in the shape of licence
fees; duty & a charge, inter alia
of the police fee of Rs. 100/-
which he now pays. But
so long as Rule V stands
unaltered, the Govt cannot
make up for the loss of
this income, otherwise
than by ordering the opening
of country beer taverns to
which however there are
protests from so many
Quarters. The question
therefore for consideration
is whether Rule V should
not be so altered as to
permit of Government
laying down a higher

rate of fees - A maximum as well as a minimum may be prescribed so that each shop, hotel or refreshment room may be taxed according to its own merits - On this point, the opinion of the Excise Comrs may be invited.

The Excise Comm^r was specially asked to quote authority for sale of the Beer in the 1st reference made. This was not done. The Records (Genl & Pol) were asked to get up the old references complete, but could not be got to do so. — The Special Assistant Comm^r himself went down to the General Records and got up some old references but without the connecting papers. The Excise Department should have all the Excise files transferred to it, from the Revenue Branch, and adequate number of hands given it to get them properly arranged & posted up. This matter was urged several times. The file for 92/93 is now put up. —

2. Govt: prescribed a form of Licence, and an engagement in terms thereof, to be taken from the brewer and wholesale Vendor. It is essential that this plan should be adopted, and form duly

duly modified, as per slips pasted on the printed
Licence form enclosed, for Messrs Leichman & Co,
which that firm should accept in due course.—

3. We should brew our beer locally. Our own
produce and labour would thus be utilized. If this
is done for the State, why not for the City? Perhaps
the Station would co-operate in a step which will
give the people genuine beer to drink, in both places?

4. If the Beer is made outside our Province,
we should be as careful as the Military are in
accepting beer for the Army. A committee is ap-
-pointed to taste & pass the beer supplied ere
taken over. At uncertain periods, and when there
is a suspicion of the stuff vended, samples should
be taken and sent to the Chemical Examiner. The
last Chemical Report is, I have previously explained, of a very Out of Date Stamp. The Reporter says he puts 160% & the Chemical Examiner says beyond 11%? If Saccharine matter this would yield

bond and kept in stock in a wholesale Depôt

there, and see how the article is manufactured
and that no "dodges" are practised in the

I. The first reference ~~to the~~ about the sale by the Excise Commr. of the new Country Beer Taverns at the "Kolar Gold Fields," had been disposed of by the Cancellation of the Taverns

II - The 2nd reference is now pending disposal. — Sale of Country Bear Taverns Bangalore City

III In connection with the sales of Country Bear, the Excise Commissioner was pleased by the 3rd communication to put certain queries in this Office No. 1945/R2793 dated 8-9-95 to which the letter quoted above is the reply.

IV From the statements — received the following information is gathered

(a) The Local Brewer died in June 93, and the taverns were shut for the remainder of the year and were reopened for 10 months ending 30th April of 94-95. —

(b) Tenders were invited for a Local Brewer by the Dy Commr. who however failed to get any one to make beer with proper ingredients

(c) The Dy Commissioner, evidently, without any reference to Govt., thereafter introduced Beer made from Coteracamund in the Mysore State and this beer continues to be sold in the City of Bangalore. —

(d) The Ex Commr. on his own motion

issued Sale Notice No. 4920-83 without ~~[illegible]~~ sending up the conditions thereof and of the license, in the 1st instance, for the approval of Govt.; and also ~~to~~ the step proposed to be taken to sell the Retail Vend of this item of Ex. Revenue by auction.

(e) The materials used in brewing and the proportions thereof are no longer a secret. Excise Officials are in the brewery day and night at Home, gauging, testing and noting all that is done. It is of primary importance that the materials which go into the manufacture of country beer should be defined & the Ex. Officers should see that they are used. These are malt, or any of its preparations, Sugar clear hops & water.

(f) What the 3rd Councillor wanted, in addition to have, particularly, was a proper Chemical Analysis of the beer and the Chemical Examiner's opinion as to the quality, and wholesomeness, &c. of the country beer used in the shops of this State, as compared with the brews imported from Home. What would be the practical effect of drinking a Gallon of country beer on a man with an empty Stomach?

(g) Dr. Benson's Analysis is of little use without the opinion, last asked for on the merits of the beers tested, contrasted with Foreign Beer, & the value of the figures noted by Dr. Benson as bearing on the Subject. It may be here stated that the native brewers, notably Messrs. Abraham & Co., do not use malt at all; Yet malt is given in the analysis. It is also notorious that these country beers are simply our Distillary spirit wash undistilled and as such have been condemned & closed all over India, while Mysore is the only place in

the world, (where) such a vile drink is tolerated
If 11 per cent of malt with 17 grs of acidity
gives 8 per cent of alcohol (as quoted in the study of Analysis)
it is evident there must be some error in 4 & 5 per cent of malt
(Cols C & D) yielding under the same conditions
The figures in col D are under stating -
8% of alcohol. It is not stated if Hops were
used & if any ingredient of Quassia is to the health
entered into the Beers?

(h) It is inimical to Govt & Public interests that the Country Brewer should be at Both. The beer in question is alleged to be a special brew for the Native, Why one kind for the "Native" & the other for the "European"?

(i) It is evident from the returns that the Beer sold in the City cannot well pay a duty of 2 annas per gallon plus a Registration fee to the Municipal Board of Rs 180/- yearly & also be saddled in addition with a Rental (vide 8th Cl.) appended to the Excise Licenses No 550/500 dt. 22/6/94 - There is only room for one Taverna. The two others are working at a loss. We only want as many shops as are indispensably necessary to meet public wants. The superfluous shops should not be re-opened in the ensuing year. The "Rent Fee" plus the "Purchase" on Sales over Rs 4 & 8 and the "Duty" of 2 annas per Gallon ought to suffice without going further & putting the Taverns up to auction. Whist with Mr Taverns Toddy Shops, Arrack Shops, Foreign Liquor

(10)

Liquor Shops & Refreshment Rooms

It is time Govt. intervened to curtail the rapidity with which new licensed shops & Bungalows are springing into existence. Why should there not be one shop & but a man call for what he wants? And leave him the option of taking a temperance drink if he so chooses? This is the plan on which issues & taverns are managed at home. It will have at least this merit that all these evils will be concentrated in a few places instead of having a shop for each class of drink & one or more shops in each street instead of half a dozen for the town altogether paying a consolidated fee? The matter is commended for the favorable consideration of Govt.

I would humbly record the decided opinion of the Collector with the observation that for many years, there have been no sale of Beer licenses without the previous sanction of Govt.

There are now 4 taverns - the Newton Way tavern the Hyde Park tavern [illegible] the Lincoln too long for a large city like Boston - the Lincoln tavern however adds that if found desirable he will reduce the No to 3 from next year.

The Hyde Park tavern & the Dry Dock tavern are both in favor of the annual sale of taverns - I see no reason why their opinions should be overruled.

MYSORE DURBAR OFFICE
PETITION DEPARTMENT
REGD. N. 3210R
DATE 30-5-95

I have the honor to bring to Your notice that on receipt of a notification dated 14th May 1895, of the Sale of a beer tavern at the Kolar Gold fields, near Oorgaum on the 8th proximo, I forwarded a letter dated 24th Inst Shewing my claims to the said tavern, having held a license for retail Sale of Nilgiri beer Section 12 & 13 of act 22 of 1881, Sanctioned in Dewans proceedings S.R.1-87-21 No. 2680/103 dated 18th July 1888 for nearly four Years, namely from 9th July 1888 to 16th Febry 1892, which gave to the Government duty to the amount of Rs 2400-0-0 per annum on an average And Which license I Still hold, it never having been taken from me, for any fault or infringement of the license the beer ceased to be issued in Consequence of the failure of the Nilgiri Murree Brewery. English imported beers had to be Substituted Since 16th Febry 1892 up to date, but that now a Nilgiri beer tavern is about to be Sanctioned. I Claim my right to the Same as I Still hold the Sanction of Government for the Sale of Nilgiri Beer, and that I Should have the first refusal, before the Said tavern is put up to auction.

Copy of my letter to the Excise Commissioner dated 24th May 1895 is herewith forwarded which Shews all particulars. I beg to add that the Excise Commissioner Sanctioned the tavern to be Given to me, but has suddenly ordered the Same to be put up to auction, if this is allowed a manifest injustice will be done to me, in ignoring my claims to the license, as also injuring my trade in the Sales of imported English beers, according to the license which I now hold. I therefore

therefore, humbly request that Your Honor will be pleased to Sanction the Recommendation of the Deputy Commissioner Colar to my receiving a Renewal of my old license. and for which I will be very thankful and do my best to give Satisfaction and raise the Revenue of Government

I may here add that the Captains of the Several Gold mines will most Certainly protest against the Sale of "Country Bangalore Beer" being Sold as it Contains a large percentage of alcohol and is Such Vile Stuff. There is actually no need for a 2nd Tavern for Country beer at all as, my Tavern Vends 1st Class English beers fully meets all the wants on this score,

If it is absolutely necessary to Sell "Nilgiri Beer" again, the right Conferred by Government on me Still Valid

I beg to remain

Your obedient Servant

No 4776. 77. /
dated 14th May 95

Copy of letter sent from Capt W. M. Anderson to L. Ricketts Esq. Excise Commissioner in Mysore

Acknowledges receipt of notice as per margin of sale of a country beer tavern in the Colar Gold Fields for 1895 – 1896.

Submits that he had a license for retail sale of Nilgiri beer Section 12 & 13 of Act XXII of 1881 Sanctioned in Dewans proceedings $\frac{2680}{103}$ dated 18th July 1888.

(2) The above was a special license granted by the Dewan and the business was carried out from 9th July 1888 to 16th Feby 1892 nearly four Years On which the Government realised a revenue on an average of 2490 Rupees per annum which can be shewn from the records in Your Office

(3) Reasons for substituting English Beer under the Sanction of the Deputy Commissioner, Colar was owing to the failure of the Murree Brewery Company. I was therefore Compelled to take the English imported beer since the 16th Feby 1892 up to date, on a Separate foreign Spirit and foreign fermented liquor license by paying authorised license fees, therefore my old Nilgiri beer license Stands good and by right belongs to me as from no fault of mine or any infringement of the license did the Nilgiri beers cease to be supplied, but, from the failure of the Murree Brewery Company

4. The reason for not applying for the same Nilgiri beer license after re-opening of the New Brewery at ooty was on account of a final order made by L Ricketts Esq then and now Excise Commissioner in Mysore vide letter No 5840, 114, 6th March 1893 marked C, as there were more than 100 applications, the Deputy Commissioner Colar personally informed me that the Government has finally decided that no Second Shop of any Kind Nilgiri or other foreign liquor license would be granted to any person, that the Shops at Bowringpett and mine at the Gold Fields were ample to meet the requirements of the population at Gold Fields. I therefore Considered it would be in vain to further trouble the Government

But now on personal application to the Deputy Commissioner Colar to be allowed to purchase,

purchase, a piece of ground to erect a branch Bakery as more Central, there being Some plots available for Sale near Ootgamund; I was told by the Deputy Commissioner then, that if I could get the Sanction of the present Nelgheri Brewery Mr Leishman to Supply me with Nilgiri beer as was formerly done by the Munro Brewery that he would recommend a license being given to me at the new plots of land being Sold near Ootgamund: Consequently, a reference was made to the proprietor Nilgiri Brewery who promised to Supply whatever quantity of Nilgiri beer & porter that I might require. From this you will doubtless observe that I have every right and claim to get my old Nilgiri beer license renewed, as, I never Gave up the license, neither did Government take it from me; therefore, the Deputy Commissioner Salar District recommended me for this license and the Same was Sanctioned by you as Excise Commissioner.

5 But now again from Some inexplicable reason You have ordered, that, the license for the beer Shop Should be Sold by auction and allow Bangalore made beer to Compete with Nilgiri beer, the latter is brewed on English principles with proper ingredients for English beers under an able Scientific English gentleman brewer

6. Country beer made in the Station of Bangalore has been condemned by the medical Authorities over and over again, and all breweries have been closed worked on the Same lines as the Bangalore Stuff. The Station of Bangalore is the only one in India which tolerates this. The old Country beer now Supplied in the Station is undistilled duty, distillery wash, and to introduce this would be fostering a trade which would be inimical to the interests of both the arrack and toddy revenue.

The Distillery at Bangalore now Supplies liquors on which Government duty amounts to over 250,000 Rupees Yearly, and are being taken to by the natives at the mines, but, if the Cheap and nasty Vile, intoxicating Country Bangalore beers above-mentioned are introduced, business, in good whole-Some liquors is Sure to languish, as, the natives aim is only to get liquor Cheap and intoxicating and this object will be attained if Bangalore beers

beers are Sold as it contains from 16 to 18 o/o proof Spirit and is of very bad quality and otherwise pernicious to public health.

The Nelgherris beer will doubtless be more expensive, as at hill Stations, labour, ingredients, and the distance from places to be Supplied will all enhance the price, but, even then, it will Still be cheap, Compared with the inferior, and Vile Quality of the Bangalore Country beer, as far as health goes.

8, Upon the foregoing and taking into Consideration, the recommendation of the Deputy Commissioner, Colar and the manner in which the tavern at Colar Gold Fields has been conducted Since the Commencement in 1888 to the present time and the Good Will of the mining Community secured by Carefully looking after their interests, as, also, the fact that it was owing to my endeavours in influence with Captain Plummer the the then Head Superintendent of the mines, that good or any liquor was ever permitted on the fields as he Capt Plummer was very much opposed to liquor of any description being introduced. this was at a time when I had branch bakeries at the mines and was Supplying nearly all the troops in Bangalore with Mysore Brewery beers, and I am quite Certain that the Mining Superintendents will never tolerate the Sale by Government of any distillery Spirits Such as the Bangalore beers.

I therefore respectfully claim my right to have my Nilgiri beer license renewed, and if a Second tavern is required for Sale of Country beers to have the first refusal before putting it up to auction. If decided the license Should be altered only for both English imported and Nelgherry beers, when both Europeans or natives can get Such beers as they may desire without being Compelled to drink only Vile Stuff. Known under the misnomer Bangalore beers, and I am prepared to pay for both good Nelgiri and English beer licenses, wholesale, retail and Refreshment Room as may be ordered.

Trusting, You will be pleased to Sanction this my humble prayer accordingly, and I promise, no pains will be Spared on my

...ny, part to Supply good, wholesome, beer
...ld give every Satisfaction to Government, and
the Public, and thus raise the Revenue in a
legitimate Way.

I have the honor to remain

ABSTRACT.

State that on 4-5-95 when the sale of shops was held the authorities told the people that Beer Taverns would be opened - that they without knowing this have competed in the sale and obtained the shops - that on looking into the accounts of the 6 shops of Coripam & Samacuppa they found that it would be difficult to realise the heavy amount of license - that if Beer Tavern is opened at Coripam there would be a fall of 50 gallons per shop per annum that owing to this the Govt. would lose an amount of Rs. 1200 (?) per annum - 1733 no (?) 50 x 11 Rs. 1200 @ Rs. 4 per gallon & that the profit to be realised by the Outstandars could well be imagined. Pray that license may not be granted for the Beer Tavern proposed to be opened at Coripam

Nos. 606/Camp, dated 4th June 1888, 2686/103, dated 18th July 1888 and 1329/Camp, dated 27th September 1888, Captain Anderson, the Petitioner, had been granted Licenses to sell, as the Agent of the Murree Brewery Company, Ootacamund, the country Beer manufactured by the said company on condition that he should pay a wholesale License fee of Rs 24 per annum and a Retail License fee of Rs 180 per annum, together with a Duty of two annas per every gallon of country Beer imported to the Gold mines, plus a surcharge of Rs 2/- per hogshead on all Beer sold in excess of 7½ hogsheads per mensem. These Licenses were in operation up to January 1892 when they were withdrawn owing to the close of the said Brewery

S.R 1-87.

Captain Anderson having consequently lost his business, applied for a License under the Foreign Liquor Rules to sell English Beer. It was accordingly granted to him;

and

and subsequently he was allowed
to sell all kinds of authorized &
genuine Foreign liquors besides
genuine English Beer. (Vide Govt.
Proceedings No. 19232 dated 14th 18th
R.F. 41-92
May 1893). Since then he has been
holding a Wholesale License, a
Retail License and a Refreshment-
room License for the sale of Foreign
liquors in the Kolar Gold Fields.

2. In October 1894, the Deputy
Commissioner, Kolar District,
forwarded to me several applica-
-tions for the grant of a License
to sell Country Beer in the Gold
Fields and recommended that
Mr. D'Silva, one of the applicants
might be given the License. As I
considered that none of the applicants
were capable of carrying on the
business, I informed the Deputy
Commissioner that, if there was
a general demand for Country
Beer, Captain Anderson might
be permitted to sell only the Beer
manufactured

manufactured by Messrs Leishman and Co. Cotacamund, after the expiry of the present Arrack and Toddy leases.

3. In March 1895, I received an application from Mr. F. W. Smith for the grant of a License to sell country Beer in the said Gold Fields. I forwarded it to the Deputy Commissioner, Kolar with the remark that as Captain Anderson held a wholesale license, a Retail License and a Refreshment-room License for the sale of Foreign liquors in the Gold Fields, it was preferable to give the Country Beer License to Mr. Smith, who it was trusted from his position, would carry on the business more satisfactorily. In reply the Deputy Commissioner brought to my notice the fact of there being many competitors for the Country Beer Tavern. Therefore I concluded that it should be

Sold

Sold by public auction and issued orders accordingly, and reported the fact to Government in my letter No. 4403/420, dated 20th April 1895.

4. In his letter dated 16th May 1895, Captain Anderson requested information as to when and on what conditions the proposed Comboy Beer Tavern would be sold by auction. In reply he was referred to my notice published on pages 412 and 413 of Part II of the Kumasi Gazette of the 16th May 1895.

5. In his letter of the 24th May 1895, Captain Anderson urged that he was entitled to the Tavern being given to him without sale. In reply I informed him that he having been granted Licenses for the sale of Foreign Liquors in the Gold Fields was liable to have the License he held for the sale of the Cafe Murree Brewery's Comboy

Country Beer, and which ceased to exist on the close of the said Brewery, Captain Anderson could not claim a lien on such license. that Several applications having been received for the Tavern, it had been decided to put it up to public auction; and that the policy of the Department was to encourage competition and to prevent the growth of monopolies.

6. In accordance with the notice published in the Gazette the Beer Tavern was sold by public auction with result that the highest bid for it was Rs 8100. This is the amount of License fee or rental against Rs 204 which Captain Anderson used to pay as the agent of the late Murree Brewery Company. The said Sum of Rs 8100 is also exclusive of Duty which will be paid by the would-be

Licensee

Licensee at two annas for every gallon of country Beer purchased by him from the Brewery. The Duty collected when Murree Brewery Company held the License with Captain Anderson as their Agent, was as follows:-

	Rupees.
1888-89 ——	319
1889-90 ——	666
1890-91 ——	1359
1891-92 ——	1371

7. The total revenue anticipated from the Beer Tavern to be opened from 1st July 1895 is about Rs 10,000

8. The Deputy Commissioner Kolar has reported that the Chairman of the Gold mining Board has protested against the opening of the proposed Tavern. The Deputy Commissioner has been requested to explain the following facts to the Chairman

(1) the Tavern notified to be opened from 1st July 1895, was formerly in existence and ceased to exist only on the close of the Murree Brewery

(2) the Foreign liquor shop held by Captain

Captain Anderson was granted
at the request of the Mining
Board who recommended it
on behalf of Messrs Spencer & Co.
and it was quite independent
of the Coombs Beer Tavern
proposed to be reopened
(3) Beer is a harmless and mild
beverage.

On the Deputy Commissioner's further report, the matter will be submitted with my opinion for the orders of Govt

9. I may here add that the fact of the proposal to reopen the Coombs Beer Tavern was duly intimated to the bidders for the Separate arrack shops in the Gold Fields at the time of the auction sales

10. Captain Anderson's petition to Govt is herewith returned.

11. The report called for in the office of the Chief Secretary's docket No. 19451/R2793, dated 3rd May 1895, will be submitted after the samples of the Coombs Beer have been analyzed by the Chemical Examiner

12. A copy of connected papers is herewith submitted, as per marginal entry.

Sir,

I have the honor to forward herewith the accompanying applications for a new shop on the Gold Fields to sell Country manufactured Beer. Prior to February 1892, Captain Anderson was selling Neilgherry Beer and Government realized thereon duty amounting to about Rs. 1200/- per annum besides a license fee and surcharge which gave about 400 Rs. annually.

2. I am of opinion, that the opening of a country Beer shop would be advantageous in the interests

interests of Government and will not in all probability diminish the arrack consumption.

3. There in the English liquor shop a large quantity of draught English Beer amounting to 150 hogsheads per month is consumed. I think there is yet scope for a new country Beer shop being opened. The fall in the consumption, if any, of arrack will be more than made good by the duty payable on beer. Of the applicants I would recommend Mr. D'Silva being given a license, as he is reported to be a respectable man.

that it was undesirable to increase the ——— number of Foreign liquor shops at the Kolar Gold Fields, and that the shops established there by Captain Anderson were sufficient for all requirements.

2. But in regard to Mr. Smith's request to grant him a license for the sale of country beer, the undersigned is of opinion that it may be granted to him from 1st July 1895 on the same terms and conditions as Captain Anderson held a license formerly for the sale of Murree Company's Country beer. The undersigned concurs with the Deputy Commissioner's opinion in para 3 of his letter No. 1482/954, dated 17th October 1894 that there is scope for a new Country Beer shop being opened at the Kolar Gold Fields. As Captain Anderson already holds a wholesale license,

license, a Retail license and a Refreshment-room ——— license for the sale of Foreign liquors in the Gold Fields, it is preferable to give the country Beer license to Mr. Smith, who, it is trusted from his position will carry on the business more satisfactorily

Sale of Country beer in Gold Fields.

Adverting to the above, has the honor to request attention to the Excise Commissioners docket No: 1885/54, dated 19th October 1894 stating that Captain Anderson might be allowed to sell Nilgiri Beer after the close of the current years arrack and Toddy leases. The undersigned verbally intimated this to Captain Anderson and from Captain Anderson's Letter dated 2nd instant herein enclosed it will be seen that he is desirous of opening a tavern for selling Nilgiri beer at the Gold Fields. Requests to be informed as to whom the permission to sell country beer should be granted, whether to Mr. Smith or Captain Anderson or whether the right to sell it may be put up to public auction in which case the Holders of the two Foreign Liquor

shops

shops at Bowringpett whose trade is likely to be affected by the opening of the country liquor shop will have an opportunity to bid.

The enclosure is herewith returned.

Further begs to state that similar application from Messrs. D'Silva, Lenham and Co. and Chelavaraya Mudaliar have been rejected.

With

With reference to the above, has the honor to submit for the orders of Government the accompanying copy of letter of to day's date from the Chairman, the Kolar Gold Field Mining Board protesting against the intended sale together with copy of this Office reply to the same.

Undersigned fails to see how the opening of a Beer tavern will prove prejudicial to the interests of the mining industry while there are many arrack shops to which the coolies freely resort. If no tavern is opened perhaps country brewed Beer will be smuggled to the camps and sold clandestinely. It is difficult to understand the objection of the Board to the opening of the tavern for the sale of a comparatively mild and harmless beverage. The sale will be held tomorrow and the result reported.

The Kolar Gold Field Mining
Board
Oorgaum
Mysore Province
7th June 1895

To,

The Deputy Commissioner
Kolar.

Sir,

I have the honor to confirm the following telegram which was sent you this morning:

"The Kolar Gold Field Mining"
"Board protest against the sale"
"of Beer license for tavern in"
"Oorgaum village letter being"
"sent you today, at any rate"
"postpone if possible tomorrow"
"auction."

The Board strongly protest against this sale as the facilities for obtaining liquor are already too numerous and the Board consider it will be very detrimental to the interests

of

of the Companies to still further increase these facilities. The Dewan at the last Dassara Assembly stated that the consumption of liquor on and around the Field was very high indeed and far above the average per head for the whole Yalug, and it is therefore desirable that the sales of any further liquor licenses should be stopped.

The Board only came to hear of the sale the day before yesterday through an outside source and therefore have only been able to give this short notice. At any rate the Board beg that you will postpone the auction sale tomorrow until the matter has been fully considered and in the interests of the Companies they trust that you will bring this matter before the Dewan at an early date and that the Government will stop the

sale

sale of any more liquor licenses around this Field.

Sir,

In reply to your letter of to-day's date protesting against the

the sale of the privilege of opening a Beer Tavern at the Gold Fields for the year 1895-96, I have the honor to inform you that the matter having long ago been notified in the Local Gazette it would now be inadvisable to postpone the auction to the inconvenience of the intending bidders, but the Board's objection has been referred to Government through the Excise Commissioner for orders pending receipt of which the sale will not be confirmed by me nor any license issued for the establishment of the Tavern.

The Deputy Commissioner's No:

In reply, has the honor to request that the Deputy Commissioner will be so good as to explain to the Chairman of the Kolar Gold Field Mining Board, the following facts, and obtain and submit his views thereon.

(1) the country Beer Tavern notified for Sale, was formerly in existence, and ceased to exist only on the close of the Murree Brewery at

at Ootacamund, which supplied it with Beer;

(2) the Foreign liquor shop held by Captain Anderson was granted at the request of the mining Board who recommended it on behalf of Messrs. Spencer and Co.; and it is thus quite independent of the country Beer Tavern now proposed to be reopened; and

(3) Beer is a harmless and mild beverage.

2. A report on the result of the auction sale of the proposed Beer Tavern, is awaited. The highest bidder for it, should be informed that it would be subject to final orders which might be passed on the protest which has been received from the Mining Board.

Sealed

The Board desire to ask for the cancelment of the license now held by Captain Anderson. They had objected to a country liquor license in a letter addressed to the Municipal Board so far back as in 1889. They were quoted from it in order to show that they were in favor of such licenses. They added that Captain Anderson's tavern & the Arrack & Toddy shops were sufficient to meet all requirements & that a fresh tavern should not be opened. Their request has been complied with & they have thanked Government. No further action seems necessary for the present. This letter may be filed. Kolar Gold Fields, the Country Beer manufactured by the said Company. On the close of the Insurrection Brewery in January 1892, Captain Anderson was granted Licenses under the Foreign liquor Rules to sell English Beer in the Kolar Gold Fields in lieu of the aforesaid Country Beer.

2. In March 1893, the Deputy Commissioner of the Kolar District, on the recommendation of the Gold-mining Board, submitted for my sanction the application of Messrs. Spencer and Co. for the grant of a license for the sale of Foreign liquors at the Gold Fields. As Captain Anderson was already holding Licenses under the Foreign liquor Rules and was paying the full amount of license fees prescribed for the sale of all kinds of genuine foreign liquors, though he was restricted to the sale of English Beer, I considered it equitable that Captain Anderson should be permitted to sell all the recognized Foreign spirits and fermented liquors, in addition to English Beer, in preference to Messrs. Spencer and Co. Accordingly I submitted my recommendation to Government in my letter No. 5530/340, dated 18th April 1893. The Government approved of my recommendation in Proceedings No. 19232/A.F.41-92, dated 14th/18 May 1893; and Captain Anderson

Anderson has ever since been selling in the Gold Fields, all kinds of genuine Foreign liquors and local double distilled spirits which are entered in his Licensis

3. The objection of the Inming Board in their letter to the Amildar of Bowringpett, in regard to the grant of a license to Captain Anderson for the sale of Beer, and which is extracted in your docket under reply, is dated so far back as 28th June 1889. But in the Chairman's letter of the 28th June 1895, the cancelment of the Licenses now held by Captain Anderson, has not been desired. In fact it is stated "the Board consider "that the Beer Tavern owned by Captain "Anderson and the numerous Arrack "and Toddy shops already existing "around the Field, are quite sufficient "for the requirements of the people."

Quite right. The Chairman's Letter says that from the Board's point of view the opening of the Tavern

4. Moreover it will be seen from the letter dated 30th July 1895, from the Secretary to the Inming Board to the Deputy Commissioner, Kolar District, that no objection has been raised to the shop now kept by Captain Anderson in the Gold Fields.

5. Under the above circumstances, I am of opinion that it is improper, nay unnecessary, to cancel the Licences now held by Captain Anderson.
